### Local Artist Donates Painting For Raffle

Rod Gould, a Mattapoisett artist, has painted a stunning oil portrait of *The Wanderer*, the last whaling bark built in the once-thriving shipbuilding town, which will be raffled off as a fund raiser through the Mattapoisett Lions Club. Proprietor of the Village Art Gallery in Mattapoisett, Mr. Gould was approached by the Lions Club to paint a portrait expressly for this purpose to be raffled off during Harbor Days in July. He said he chose this subject as it remains an intricate part of Mattapoisett's impressive history.

"It was one of the first ideas that came to mind," he said, "and I had painted a similar depiction of the ship which was sold to a private party."

Using the classic Charles Cook photograph of the whaling bark run aground on rocks off Cuttyhunk

Island as a model, Mr. Gould's rich painting has been embellished with blue ocean tones and rich, textured golden hues for a stunning portrait that would effectively complement any decor.

A Mattapoisett resident for the last 30 years, Mr. Gould has indulged in painting for the last 20 years and enjoys the scenic beauty which the tri-town area affords him.

Raffle tickets for a chance to win *The Wanderer* oil painting will be available beginning this weekend at G. H. Dunn Insurance (55 County Road), Don's Tire & Auto Service (89 County Road), Clayton E. King, D.D.S. (61 County Road), and Jim's Village Styling Shop (42 Main Street). Tickets are \$1 each, or three for \$2.

## The Wanderer Keel Awards

### First Annual Tri-Town Award Recipients

In an effort to recognize and herald the many unsung heroes in our circulation area, *The Wanderer* is pleased to announce the following recipients of the First Annual Wanderer Keel Award for 1994. Having received many suggestions from our readers, the staff mulled over the recommended nominees and, after much deliberation, finally settled on the following three honorees.

The award criteria was based upon a person's selfless acts of devotion to their hometown in a position that otherwise doesn't afford them any opportunity for praise or recognition. In all cases, those selected also do not personally benefit from their service — either financially or politically.

We hope the residents of Mattapoisett, Marion and Rochester will join us in saluting this first batch of Wanderer Keel Award recipients.

• **MATTAPOISETT'S 1994 WANDERER KEEL AWARD:** Maurice "Mudgie" Tavares.

Anyone who has come in contact with Maurice "Mudgie" Tavares does not soon forget him. For years he has displayed the ultimate act of selfless devotion to the children of Center School by serving not only as the school's longtime custodian, but also as a bus driver, chauffeur and unofficial guardian. To this day, former students have cited his kindness with making that sometimes frightening first day of school a pleasant experience. When asked to run countless errands or drive students to and from school, "Mudgie" volunteers with a smile — not because he has to, but because he wants to.

He has also been responsible for the successful Teen Dances at the Town Wharf and organized and

directed the Mattapoisett Track Club for younger Mattapoisett residents.

In nominating him for this award, resident John Atkinson noted: "Transporting (Mattapoisett) Track Club athletes and equipment to and from meets on college campuses in Cambridge, Boston, and other localities, he did it willingly to let them compete with peers in many track events and to see some of the outstanding competitors from far and near.

"At Center School he calms the fears of youngsters entering this building for the first time, guiding them through what must seem a labyrinth of rooms and hallways. At the end of the school day, he helps make sure they board the proper buses for their journey home, and answers questions the very young might feel intimidated asking teachers or administrators."

## • MARION'S 1994 WANDERER KEEL

**AWARD: Claire Russell.**

Residents throughout the tri-town area may not instantly recognize the name, but they are readily familiar with her work. For the past three years, Claire Russell has spearheaded the popular Marion-Mattapoisett-Rochester Telephone Directory, known by most as simply "The Little Blue Book." Having worked on the publication for several years, she and her husband John took over production of the book in 1991 for the Tri-Town League of Women Voters.

An active member of the local League of Women Voters since 1976 — a year after she first moved to Marion — Ms. Russell has also been involved in many other community-related activities and organizations. She has also served on the board for the State League of Women Voters, in which she has been active for the past 12 years, and is on the Harvard-Radcliffe Schools and Scholarship Committee, which coordinates and assists ORR graduates with college applications and scholarships.

With the 1994 edition of the telephone book about to go to press, some 7,000 copies will be distributed to residents and businesses in Marion, Mattapoisett and Rochester. So the next time you thumb through a copy to find a number, you now know the person you can thank.

the Rochester American Association of Retired Persons (AARP) and volunteers additional time to help town seniors fill out their income tax returns from January through April. He currently resides in Rochester with his wife, Marie.

In nominating Mr. McCarthy for this honor, Veronica Lafreniere noted: "(He's) done so much for the town ... he's always willing to help around Town Hall and volunteers his time to help the seniors. I think the residents need to know just how much he's done for the town and how much time he's devoted."

All three recipients of the Wanderer Keel Award will be presented with certificates recognizing their past achievements and naming them as the official honoree for 1994. In addition, copies of the certificates and notification will be sent to their respective Boards of Selectmen for posting in Town Hall.

*The Wanderer* would like to thank everyone for their overwhelming response and support of this first annual award presentation and for those who took the time to send in suggested nominees. In particular, special thanks goes out to John Atkinson in Mattapoisett, Erica Thrall in Marion, Veronica Lafreniere in Rochester, John DeCosta Jr. in Mattapoisett, and Helene Craver in Marion. ### Mattapoisett Selectmen's Meeting

May 10, 1994

By Bethany Morgan

A regular meeting of the Mattapoisett Board of Selectmen was called to order on Tuesday, May 10 at 7:00 pm by Chairman John N. DeCosta. Also present were Selectman Daniel O. Mahoney, Selectman Paul E. Lambalot, and Executive Secretary Carol J. Adams.

First on the agenda was the reorganization of the board. Selectman Lambalot nominated John DeCosta to remain as Chairman. The motion was seconded by Selectman Lambalot and carried via majority vote. Selectman Mahoney was also unanimously voted to remain as Clerk.

Robert M. Field of the Recycling Committee dropped by to clarify the purpose for a curbside recycling program article which will be included on the Annual Town Meeting warrant.

Having applied for federal aid for the purchasing of recycling bins, the Recycling Committee's proposed article must meet requirements for curbside recycling as outlined in the application. Therefore, the funding for bins will not be available if the town maintains its current on-site recycling program.

Selectman Mahoney noted that due to the financial effects of the Education Reform Act on the town's budget, this article would have to be considered for an override. Selectman Lambalot suggested that when the Recycling Committee promotes its article at Town Meeting: "It will be important to demonstrate potential and overall savings to the town."

The board next approved the minutes of the May 3 meeting followed by the signing of correspondence to Lorraine McCombe, Postmaster of the Rochester Post Office, thanking her for the recent Open House and tour of the facility.

Pickles for a term to expire May 31, 1997.

Under incoming correspondence for the week, Chairman Schaefer noted receipt of a letter from Com/Electric asking the board to scheduled an Emergency Operating Plan meeting with one of their representatives. Mr. Pickles advised the board that he will contact them with a preferred meeting time and location, and Selectman Winters offered to represent the board in this matter as the meeting are usually held during the day.

Harold F. Nye of St. Gabriel's Episcopal Church sent a letter of commendation to Rob Zora and the Marion Department of Public Works (DPW) for the "marvelous snow and ice control which (they) displayed during the severe winter of 1993-1994." The board echoed Mr. Nye's sentiments and Selectman Dickerson asked that a copy of said letter be placed in Mr. Zora's personnel file.

Town Counsel Thomas P. Crotty sent notification to the board that a proposed 1600-foot commercial dog boarding kennel as suggested by Assistant Dog Officer Susan King cannot qualify as a home occupation and he isn't confident that use of said property would be granted a variance.

"It's too bad the structure doesn't conform to this use, because this is really something the town needs," Selectman Winters added.

Selectman Dickerson suggested the possibility of resuming discussions with Rochester regarding a possible regional dog kennel in light of this situation. The board agreed to discuss their options at a later date with the Dog Officers and members of the Board of Health.

The Benjamin D. Cushing Post #2425 of the VFW requested permission to erect a tent on the Spring Street side of Bicentennial Park across from the Marion Town House for the Memorial Day celebration they have planned on May 22. The tent will enclose a special display commemorating the 50th anniversary of World War II. Mr. Pickles noted that the Memorial Day Parade route has also been changed to bypass Evergreen Cemetery and will travel from outside the Town House to Old Landing instead.

Mr. Pickles also sent a memo to the board advising them that Ron Wheatley of the Massachusetts Department of Public Utilities (DPU) has requested that Marion close the file on their request for an extension of the 748 calling area if they are not planning to pursue this matter further. As further legal proceedings would be costly and, according to Mr. Pickles, "be

an exercise in futility," the board unanimously agreed to allow Mr. Pickles to close the file without prejudice, allow for the possibility of reopening the matter should conditions change.

The Division of Marine Fisheries next sent notification that the waters, flats and all tributaries of the Weweantic River in the Towns of Marion and Wareham have been conditionally closed to the taking of all shellfish, effective April 1 through December 15.

The area specified encompasses: north of a line draw easterly from the orange panel at the stone jetty at the northern end of 53 Dexter Road in Marion to the orange panel at the end of Marks Cove Road in Wareham; southwest of the cove into which Beaver Dam Creek empties; south of the Route 6 Bridge from the western end of the bridge to the orange panel located approximately in the middle of the bridge; north of a line drawn westerly from the orange panel on the Route 6 Bridge to the southern end of Rose Point and south of a line drawn easterly from the "NO SHELLFISHING" sign at the eastern end of Gordon Street (Rose Point Beach) to the "NO SHELLFISHING" sign at the end of First Avenue.

State Representative William Straus sent a letter to the board informing them that the House and Senate Ways and Means Committee has released the final Local Aid figures for the 1995 fiscal year. As a result, the Town of Marion can expect \$71,755 in Chapter 70 School Aid monies; \$91,557 in Lottery Distribution; and \$11,380 in Stabilization Aid. Mr. Pickles noted these combined figures represent a net increase of about \$10,000, although he plans to wait for the Cherry Sheet figures before factoring these numbers into the budget.

The Southeast Regional Planning and Development District (SRPEDD) next sent a letter to the board asking that they appoint a representative from the town to attend SRPEDD meetings and events. Chairman Schaefer said she will check with the Planning Board to see if they have selected anyone to serve in this capacity.

At 7:30 pm, the board met with Conservation Commission Chairman Dennis Luttrell and ConCom member Horace Kenney to discuss the possibility of increasing fees related to work conducted by the Regional Conservation Agent. As an override request of \$5,200 was turned down by voters at the last Annual Town Election to fund another six months of the

Conservation Agent's salary, Mr. Luttrell said the ConCom would like to propose that fees paid directly for services rendered be used to offset this expense.

"We'd like to suggest that these voluntary fees for voluntary services be used to pay the agent for her services," Mr. Luttrell said. "This is not meant to be mandated, this is simply an option for residents to use if they so desire."

Mr. Luttrell proposed the following fee structure for various conservation services and application reviews: site visit to determine general resources (\$50), notice of intent filing (\$75), wetlands delineation (\$100 under one acre, \$150 one to three acres, \$200 three to five acres, \$250 five to seven acres, \$300 seven to ten acres), request for determination filing (\$35), amendment to notices of intent (\$35), and extensions to notices of intent (\$10).

"We're looking to raise the \$5,200 to fund another six months of the Regional Conservation Agent's salary with these fees in place," he said. "Rochester and New Bedford have already agreed to pay their share out of the general account. We have enough money to pay her through January 1, 1995. This would cover the remaining six months of the 1995 fiscal year."

Currently, Rochester, Marion and New Bedford all share a single Conservation Agent on a 40 percent/40 percent/20 percent basis, respectively. The agent, Laurell J. Farinon, was hired last year with grant monies awarded to the three municipalities expressly for this purpose. Her annual salary was set at \$25,000, of which Marion and Rochester pay \$10,400 each for two days' work each week, and New Bedford pays \$5,200 for her services one day a week. Since the position was guaranteed for a two-year period, Marion needs to raise the additional money or risk losing the services of the Regional Conservation Agent.

Selectman Winters noted that he had some questions as to whether this would set a tone of competition between the town and two other engineering firms in Marion. "I don't feel totally comfortable funding a position that is in competition with two firms in town," he said. "I don't feel we should be in the business of subsidizing an agent."

The board agreed that a Public Hearing should be held on this matter in the event that local engineering firms do have some objections to the town's establishing a set fee structure for these services. A tentative hearing was slated for Tuesday, June 7 at 7:30 pm, and will be duly advertised by Mr. Pickles.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 8:10 pm.

## Rochester Selectmen's Meeting

May 9, 1994

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, May 9 at 6:30 pm by Chairman David L. Hughes. Also present were Selectman Lorraine Roy Hawkes, Selectman Michael Murphy and Administrative Secretary Shirley A. Ferreira.

After approving the minutes of the May 2 meeting with some minor corrections, the board reviewed incoming correspondence for the week, beginning with a copy of a letter from Superintendent/Director David Ferreira of Old Colony Regional Voke. Mr. Ferreira wrote to the town's Plumbing Inspector, Roger Bolduc, regarding engineering work that is being done at the school in response to a notice of noncompliance issued by the state Department of Environmental Protection.

The Massachusetts Municipal Agency (MMA) sent an informational flyer to the board concerning pending action on the fiscal 1995 budget. The agency notified the board that, among other items to be debated within the new budget, it will include \$40 million in new lottery funds; level funding for Additional Assistance at \$476 million; \$189 million in new Chapter 70 aid; and a modest Chapter 90 cash program for roads and bridges.

The Marion Board of Selectmen sent a letter to the Rochester board informing them of their recent reorganization. The newly-elected Chairperson is Loretta B. Schaefer, with Albert E. Winters serving as Water/Sewer Director, and Jonathan "Jody" Dickerson as Clerk.

sent notification to the Rochester board that the Group Health Insurance Rates for Fiscal 1994-1995 have been decreased for all active employees. The Blue Cross Master Health Plan has been reduced by 1 percent and they have also eliminated the 180 day waiting period for full benefits in this plan.

Under notices for the week, Chairman Hughes cited two Board of Appeals hearings which will take place on May 26 — one for Kevin Cassidy at 7:30 pm, the other for Roger Bolduc at 8:00 pm.

The board then unanimously approved several Inflammable Fluid Permit renewals for the next year, including permits for two 1,000-gallon diesel above-ground tanks and one 10,000-gallon

gasoline tank on Dexter Lane for the Town of Rochester to be used by the Highway, Police and Fire Departments. A Legal Invoice in the amount of \$980 was also approved via majority vote — with Selectman Hawkes abstaining — for legal services rendered in the Chevalier appeal case.

Alan Stata was then unanimously reappointed as the board's representative to the Southeast Regional Planning and Economic Development District (SRPEDD), and the board also unanimously declared the week of May 15 - 21 as the National Association of Insurance Women's Week. Lastly under the board's signature, Selectman Hawkes moved that Chairman Hughes and Ms. Ferreira take care of filling out and submitting application forms for Comprehensive Law Enforcement Liability Insurance and Public Officials Liability Insurance.

In today's mail, Chairman Hughes cited a joint letter from Duffy's Towing, Murphy's Auto Salvage, and Steve's Collision regarding the board's recent decision to institute a rotating schedule for towing services in town. Selectman Murphy excused himself from the discussion. The three businesses agreed that they didn't mind sharing the wrecking and towing duties, but they felt it was unfair for the Police Department and Board of Selectmen to solicit

the services of towing companies outside of Rochester.

"The other tow companies are businesses located outside the confines of the Town of Rochester," they wrote in the letter, "and as such do not pay taxes or contribute to the Town of Rochester in any way. We feel that it is unethical and wrong for the (Police) Chief and the Board of Selectmen to solicit outside of the town for additional towing companies when there has never been a need or a problem with the services that were provided in the past."

Selectman Hawkes noted that she didn't think the towing companies were solicited for this

purpose, but rather Chief Denham had recommended these other services based on their proximity to Rochester. Chairman Hughes said he would entertain a motion to rescind their previous vote and allow a rotation of towing services only among the three companies based in town. Selectman Hawkes refused to make the motion, and the matter was dropped.

State Representative William Straus sent a letter to the board advising them that the House and Senate Ways and Means Committees have now released final Local Aid figures for fiscal year 1995. For Rochester, the town can expect about \$517,227 in Chapter 70 School Aid, some \$188,501 in Lottery Distribution Aid, and \$19,088 in Stabilization Aid.

Chairman Hughes informed his fellow board members that an opinion had been received from Town Counsel regarding their question last week as to whether back taxes had to be paid on *all* property owned, or just the property on which an applicant is requesting an Earth Removal Permit. Town Counsel advised the Board of Selectmen that until such time as a new by-law is put in place specifying otherwise, the applicant needs only pay the back taxes on the property in question.

At 7:00 pm, Edward Zyskowski and Mr. Foley of Pond View Excavating came back before the

At 7:15 pm, Officer James Wassmouth, Officer Bill Protami, and Police Chief Walter V. Denham came before the board to discuss the moving of the NCIC computer system into the Communications Center. Officer Wassmouth noted

that they'd like to get the system up and running and could begin training the dispatchers over the summer months so that when it is permanently installed everyone will be prepared to use it.

Officer Protami, who is Chief Denham's appointed NCIC Coordinator, noted that the system cannot be used at all where it is temporarily stored in the Police Station. "Right now we still have to go through Wareham, where we could be using our own equipment," he said. "We'd also be able to use the (NCIC computer) as a backup in case the system in the cruiser goes down."

Although the board also expressed interest in getting the NCIC system online as soon as possible, they were guarded about rushing into it. "My only concern is the ongoing restoration at the Communications Center," Selectman Murphy said. "My own opinion is that it's easier to do the renovations first, and then make sure everything is installed correctly."

The board said they would like to check with both Chief of Communications Scott Ashworth and Building Inspector Robert Francis regarding the renovations before they made any decision regarding the NCIC computer.

board members how they felt about Town Hall hours on Friday afternoons between Memorial Day and Labor Day. Selectman Hawkes agreed that only one secretary/clerk need be on duty and the Town Hall should be able to operate on a "skeleton crew" on Fridays throughout the summer. A motion was made and approved to that effect.

Before adjourning to attend Warrant Night at the Rochester Women's Club on Route 105, Chairman Hughes asked that no major appointments be slated for next week's meeting, as the Annual Town Meeting will be held that night at Memorial School. The board agreed to meet at 6:30 pm and keep the agenda light so as to attend Town Meeting at 7:30 pm.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 7:30 pm.

## Letter to the Editor

To the Editor:

It was noted that at the May 3 Selectmen's meeting, Selectman Lambalot suggested that seniors over 70 receive a free beach sticker. We commend Mr. Lambalot for representing the seniors and also commend the board for their unanimous vote. On behalf of the seniors of Mattapoisett, *thanks* for your

## THE IMPORTANCE OF LOCATION

Any Realtor will tell you that the three most important factors concerning the value of a house are: "Location, Location, and Location." Unfortunately, most home buyers ignore this important advice.

Location is especially vital when buying a house for maximum resale value. Statistics say that you will be reselling your home long before the final mortgage payment is in the mail. Therefore, take a long, hard look, not only at the present, but future prospects for the community and immediate neighborhood.

Select a location where raw land and house values have an

increasing price trend. Especially check into the zoning laws for any unfavorable change which could cause depreciation in the value of the neighborhood and the resale price of your home in the near future.

Remember - you can remove, replace or remodel your house, but you can never change the location. So choose carefully.

### ORR Track Fund Update

The ORR Track Fund Drive has been in full swing now for over a month and has raised over \$21,000. The ORR Track Committee has been in contact with area businesses, service groups, alumni, and major corporations and have been receiving very positive responses. However, if the goal of \$350,000 is to be reached, they need further financial support. In the next few weeks, businesses in the area will be contacted by phone to answer any questions and to ask for your help. The group appreciates your consideration and donations of any amount are welcome.

The boys and girls track teams recently competed in the South Coast Conference relays and both teams came home with first place trophies. This is quite an accomplishment under the best of conditions, but considering they have no facilities to train on, the results are that much more remarkable. The athletes on these teams show a determined spirit in spite of their current circumstances, and any financial support they get will show them that the community appreciates their efforts.

The Globe Theater Troupe, Inc. of Rochester cordially invites the public to attend its First Annual Gala Membership Drive to help kick off the Troupe's 1994 Theater and Fundraising Season and the new Scholarship Fund on Sunday, May 15 at Gallery X on Spring Street in New Bedford. The gala will take place from 3:00 to 6:00 pm, and refreshments will be served and prizes will be raffled throughout the afternoon.

On hand to greet those who attend will be the cast of the Troupe's upcoming production, "Who's Afraid of Virginia Woolf?," whose author, Edward Albee, has just won his third Pulitzer Prize for the current Broadway hit, "Three Tall Women." Along with Charmayne McKenzie (Martha), Stephen

Gonchar (George), Vincent J. Myette (Nick), and Sara Aldrich (Honey), other members of the troupe will be in attendance to discuss past productions, the new line up of plays, and the benefits of membership in the Troupe.

With this gathering the troupe hopes to round out the company and is eagerly seeking people from all walks of life to join them on stage and behind the scenes. No experience is necessary, just a willingness to learn and an eagerness to participate.

The Globe Theater Troupe, Inc. is a non-profit theater company which has performed over the past seven years at the Rochester Woman's Club and other local theaters, such as the Nemasket Gallery in Fairhaven and the Marion Art Center. The Troupe has received critical acclaim for its work and has been awarded grants based on artistic achievements from the Rochester and Wareham Arts Lottery Councils, the Plymouth County Development Fund, the Massachusetts Cultural Council, and the National Endowment for the Arts.

Prizes for the raffle have been donated by several area businesses. Chances may be purchased at Gallery X, or by contacting the troupe at 291-0865.

classical form of riding and, for the above-mentioned purpose, means that a Pony Club member and his/her mount will perform a test that requires specific maneuvers, according to their level, that shows confidence, control, training, and harmony between the horse and rider.

A Dressage Rally is comprised of many elements. Not only do the children each ride two dressage tests, but each must also take a written test as well as pass a safety inspection of both equipment and mounts. Each element is then scored and a combined total is given for each team. Each team must set up a horse trailer as a tack room and are allowed no help from family and friends. The Horse Manager of the team is responsible for maintenance of the tack room and getting each rider to the inspections, riding and written tests on time.

Team #1 includes Nellie Driscoll (16) of Centerville, Carrie Walker (14) of Rochester, Corey Cavicchi (10) and Mary Miller (9) of Middleboro, and Horse Manager Sara Hester (13) of Mattapoisett. Team #2 includes Elizabeth Chase (12) and Kara Labrie (12) of Middleboro, Amy Savas (12) of Lakeville, Meg Preissler (9) of Mattapoisett, and Horse Manager Kerri Sterrett (12) of Middleboro.

## ORR Junior High School

### Survival Program

The fabled Survival Program, an integral part of the ORR Junior High School Health-Science Curriculum in Grade 7, is scheduled to take place from Thursday, June 9 through Wednesday, June 15. The week-long outdoor experience has a rich, twenty-two year history, tracing back to its originators, Jim Hubbard and Carleton Vaughan. Jeff Rodman, the program's current leader, has estimated that nearly 2,000 Grade 7 "survivors" have participated in the program since its inception.

Among those numbers, we suspect there are many who have not continued to use the equipment purchased for the wilderness expedition. Backpacks, cooking utensils, and other related camping equipment are being sought by the Survival Advisory Committee to ensure that all of the young people who wish to participate in the program will have the means to do so. If it is possible for you to donate or loan such equipment to our Survival Equipment Pool, the committee would appreciate hearing from you. Please call Jeff Rodman at 758-4928.

Information regarding the 1994 Survival Expedition will be presented at the annual Survival Presentation on Thursday evening, May 26 from 7:00 to 8:30 pm. Parents of participating students plus adult friends of the program are encouraged to attend to view the newest Survival Slide Show extravaganza. Also, questions you might have regarding the program will be answered by chaperones and leaders.

A potluck luncheon of salads is planned for a picnic. Admission to both museums is approximately \$5. Please call Anne Shepley (758-6036) or Mary Betts (758-6456) to make a reservation before May 14.

## Mattapoisett Historical Museum

### *In Search of Summer*

"The Good Old Summertime" is to be the theme of the July special exhibit at the Museum and Carriage House this summer. The staff is looking for old bathing costumes (that's what they used to be called), sand toys, photos of the beaches from earlier days, and the like. The exhibit will focus on summer in Mattapoisett in the early 1900's ... so dig in the attic and see what you can find. If you have anything, please call the museum at 758-2844.

Looking ahead to August: that special exhibit will be "What Mattapoisett Collects." Here's a chance to show toothpick holders, whatever it is you collect and would be willing to have in our exhibit for the month of August. Again, if you have something you would like to enter, please call the museum (758-2844).

### *Spring Museum Hours*

As of May 1, the Curator is at the Museum Tuesday through Thursday afternoons, 1:00 to 4:00 pm. If you wish to stop by the Museum for anything, please note this change.

### *Book Orders*

We still have copies of *Mattapoisett and Old Rochester* which we are holding for people. If they are not picked up within the next two weeks, they will no longer be held for you.
